

EXTREME HORSE ADVENTURE

Duration:
Approximately 4h

Morning: 9:30 am
Noon: 1:30 pm

Add an exclusive and exotic way to explore the **Mayan Jungle** on the back of a majestic horse. Horseback riding is known to be a mood enhancer, giving us a sense of well-being and happiness.

Sir Winston Churchill once said

"There is something about the outside of a horse that is good for the inside of a man"

Our horses are held by **the best standards available**, as they are part of the only existing Polo Club in the Quintana Roo. Take in every detail of the beautifully preserved thick Mayan jungle terrain while **riding your well-bred horse**.

After about 30 mins of relaxing horseback riding, the next adventures are more adrenalin filled. Be ready to zip through the trees on **5 ziplines and 3 interactive bridges**, going off track on the **50-minute ATV-ride** and cool off by jumping into a **100% natural, freshwater cenote**.
